## Solar Power bank

**Price Rs.: 2100/-**  
(Prices are inclusive of taxes)

### Protections

- Battery reverse polarity
- Battery overcharging
- Battery deep discharge
- Output short circuit
- Panel reverse current
- Low Idle Current (10 mA)

### Salient Features

- Mobile charging facility: 5V, 2A
- Max. charging current (A): 4A
- Max. panel wattage: 40w
- Max. Solar panel open voltage: 30v
- Input Battery chemistry: Lead Acid 12V, 7Ah
- Output terminal blocks: 3 Nos. DC 12V
- 3Hrs Backup of 3 LED Lights of 7w
- Solar Charging with 12DC
- AC charging with 12V, 2A adapter
- Micro controller based intelligent design
- Outdoor CCTV Compatible

### Optional

- 20 W Solar Panel

**Free**

2A DC Adapter  
DC Tubelight With Switch
